- to advertisers and third party advertising networks and analytics companies as described in the section below

Automatic Data Collection and Advertising

We may work with analytics companies to help us understand how the Application is being used,

such as the frequency and duration of usage. We work with advertisers and third party advertising networks, who need to know how you interact with advertising provided in the Application which helps us keep the cost of the Application free. Advertisers and advertising networks use some of the information collected by the Application, including, but not limited to, the unique identification ID of your mobile device and your mobile telephone number. To protect the anonymity of this information, we use an encryption technology to help ensure that these third parties can't identify you personally. These third parties may also obtain anonymous information about other applications you've downloaded to your mobile device, the mobile websites you visit, your non-precise location information (e.g., your zip code), and other non-precise location information in order to help analyze and serve anonymous targeted advertising on the Application and elsewhere. We may also share encrypted versions of information you have provided in order to enable our partners to append other available information about you for analysis or advertising related use.

If you'd like to opt-out from third party use of this type of information to help serve targeted advertising, please visit the section entitled "Opt-out" below.

What are my opt-out rights?

There are multiple opt-out options for users of this Application:

Opt-out of all information collection by uninstalling the Application: You can stop all collection of information by the Application easily by uninstalling the Application. You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network.
